- i) Good intentions, sportsmanship and proper judgment are essential as it pertains to your own personal safety.

2025 Rules & Regulations for Montana Pikemasters

14. Procedure of Fishing:

- a) The tournament will be catch-and-release only, which means all Northern Pike caught are to be released as soon as each fish is weighed and all must be released at the end of each tournament day and may not be kept past that time. Any non-releaseable fish will not count toward the daily totals, with the exception of tagged pike. If a fish fry occurs during a tournament, and a contestant so chooses, non-releasable fish can be used of the fish fry. Also, this will be mentioned at the Rules Meeting.
- b) During the tournament hours, each contestant may keep one (1) Northern Pike longer than 40 inches or more in length.**
- c) Teams will catch, measure, and release as many Northern Pike as they choose, however, only the largest five (5) Northern Pike per team, per day, will count towards a team's overall score.**
- d) Teams are not allowed to have more than five (5) Northern Pike in the boat at any given time and it is recommended to minimize the holding time to less than two (2) hours. The trophy Northern Pike will count toward the five (5) Northern Pike tournament limit.**
- e) Northern Pike must be a minimum of 24 inches in length to be counted. The length of a Northern Pike that breaks a 1/4 inch mark will be scored at the next 1/4 inch mark. However, all fish must break the 24 inch mark before it can be scored as a legal fish. (In fact, there will be no 24 inch fish shown on the weigh cards. The smallest recorded weight will be 24 1/4 inches.)
- f) Any team caught releasing Northern Pike or any other game fish that are dead, or are otherwise non-releasable, will be disqualified for the whole tournament without a refund.**
- g) During the tournament hours, each contestant may keep one trophy Northern Pike greater than 40 inches in length or have a replica made. This fish must be releasable. If it isn't, it will be counted as a trophy and tagged for personal possession.**

15. Check-in Late Penalty:

- a) All Teams must check in each day at the location designated by the Tournament Committee regardless of whether the team has fish or not.
- b) The team number and arrival time will be recorded at the check-in destination.

16. Fishing Reporting Requirements:

Records of fish caught must be turned in thirty (30) minutes after the tournament time ends each day.

17. Scoring:

- a) Daily scores will be the total measurement converted into the weight of up to five (5) Northern Pike.
- b) Five longest fish on score card will determine total weight for each team each day.
- c) Placement in the tournament is based on the total team score during the duration of the tournament.
- d) The contestant winning daily money pot(s) for big fish prizes must attend the award ceremonies or they will forfeit their prize winnings.
- e) Score cards that are turned in without the initials of the weigh-boat personnel will be disqualified (no exceptions).
- f) Lost weight cards: no fish will be weighed if team doesn't have a weigh card.
